

18th May 2017

Dear Member,

Keynsham Cricket Club Golf Day 2017

We are delighted to announce that we will once again be hosting a club golf day. This is an event that has been very well supported in the past but has lost momentum in recent times. Everyone is welcome regardless of ability and it would be fantastic to get members involved from all sections of the club. The event will be held at Saltford Golf Club on **Friday 25th August 2017** with the first tee being reserved from 1pm until approximately 2.00pm.

Costs for the day are:

Non Members of SGC	£40.00
Members of SGC	£20.00
Dinner only	£10.00

For this you get a bacon roll and coffee on arrival as well as lasagna, chips and salad with the presentation of awards. You will also be entered into the longest drive and closest to the pin competitions, as well as a stableford individual and team competition. Entrants will be placed in fourballs although if you feel very strongly about playing with someone then please let us know. The maximum handicap allowed on the day will be 28.

Dinner and prize giving will follow in the Saltford Clubhouse after all players have finished their rounds, the dress code in the club house is smart casual.

On arrival please register and pay the organisers prior to playing. You will find us either in the lounge bar or on the first tee with cash being the preferred currency. Players requiring buggies should book them early, with the pro shop, as numbers are limited 01225 842043.

Can you please reply by e-mail to jwetton1@hotmail.co.uk or sign up in the cricket club if you would like to attend.

Best Wishes,

James Wetton

Sam Wheller
